

SAINT LEO UNIVERSITY.

2024

Robotics Camps

This summer, unlock the future of technology at the Robotics Camps at Saint Leo University!

Dive into the exciting world of robotics where campers will explore coding and problem-solving through hands-on projects and challenges. From building to programming robots, the camps foster creativity, collaboration, and critical thinking skills in a fun and dynamic environment. Don't miss out on this opportunity to inspire the next generation of innovators!
