

# You are *Invited!*

**Join Us for the Great American Teach-  
In at Angeline Academy of Innovation  
Date: November 18th**

We're thrilled to open our doors to parents, family members, and community partners for a special day of sharing and learning. As a 6-12 grade STEM-focused school, we're especially excited to highlight careers connected to our innovative pathways.

Whether you're a professional in a STEM field or simply passionate about what you do, we'd love for you to share your story with our students!

If you are interested in being a presenter, please use our online RSVP form. This will help us plan a great day for all.
